

POLAR BEAR

If you spot a polar bear in Longyearbyen or nearby,
notify the Governor as soon as possible by calling:

112

- Move away from the polar bear – moving calmly if possible
- Get to a safe place
- Once you are in safety, attempt to keep the polar bear under observation until the Governor arrives
- If you are travelling outside the settlement, it is important to bring with you a firearm (primarily a rifle) in addition to scaring devices (flare gun, signal pen, thunder flash)
- It is important to have trained in using scaring devices and firearms
