

Application for a licence (permission) to temporarily import firearms and firearm parts without a valid European Firearms Pass

This form is used when applying for the temporary importation of firearms and firearm parts without a valid European Firearms Pass, cf. section 10-14 of the Norwegian Firearms Regulations. Please note the following when filling in the form:

1. The form must be filled in and sent to The Governor of Svalbard in which the applicant will be residing, **at least 2 months before entering Svalbard.**
2. The Governor of Svalbard can issue a licence (permission) for temporary importation without a European Firearms Pass for the purposes of polar bear protection.
3. Documentation of the purpose of the import, a copy of a foreign firearms licence and an official copy of identification must be enclosed with the application.
4. A fee is payable for approving an application. The size of the fee is stated in Section 12-2 (14) of the Norwegian Firearms Regulations.
